

FISCAL NOTE

SB 763 - HB 1615

March 16, 2005

SUMMARY OF BILL: Requires truck tractors and semi-trailers to travel in the two right-most lanes, except when passing, on certain interstate or multilane divided highways in Knox County.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumption:

- By rule, the Department of Transportation has decided to restrict the travel of truck tractors and semi-trailers in certain counties to the right two lanes. Knox County is one of the counties in which the Department plans to set restrictions. The bids for signs informing drivers of such restrictions were let in February. Therefore the fiscal impact is minimal since the requirements of this bill are currently being implemented.
